## Task XVII, Phase II , Integration of Demand Side Management, Energy Efficiency, Distributed Generation and Renewable Energy Sources

Thank you for the confirmation to participate in the Task XVII extension as defined in the Definition of the Task extension: Draft 3.0

The probable number of participants is at the moment 6. The total costs of the Task extension are 195,000 €. This gives the costs per country 32,500 €. If the number of countries differs from 6, the costs per country are changed correspondingly.

VTT will invoice the countries in two or three amounts depending on the needs of country. The estimated invoicing times are:

February 2010: 16,250 € per country

### If invoiced in two amounts

September 2011 depending on the number of participants

Number of participants	Amount per country (€)
4	47130
5	22750
6	16250
7	11607
8	8125

### If invoiced in three amounts

In February 2011 and in December 2011 (at the end of the Task) in two equal amounts corresponding to the total 2011 payment of the participants as defined in the above table

Could you kindly indicate also the name and address of the organization to which the invoices should be sent together with the relevant VAT registration number (if applicable). We would also draw your attention to the fact that all financial contributions are presented exclusive of Value Added Tax (VAT). However, under current European legislation, we are not required to charge your VAT, provided that you are able to supply us with a valid VAT registration number, as requested.

Noting all the above, we would now request that you confirm your acceptance of the above by signing and returning the copy of this letter to the Operating Agent
